DECLARATION OF CONFLICT, EX-PARTE CONTACTS AND SITE VISITS

The Mayor and members of the City Council have a duty to serve honestly and in the public interest. Where the Mayor or a member of the City Council have a conflict of interest, they may need to disclose the conflict and in certain circumstances, including land use decisions, they cannot participate in the decision-making process. Similarly, ex-parte contacts and site visits in most land use decisions must also be disclosed.

1. CONSENT CALENDAR

The consent calendar includes items which require formal Council action, but which are typically routine or not of great controversy. Individual Council members may ask that any specific item be removed from the consent calendar in order that it be discussed in greater detail. Explanatory information is included in the Council agenda packet regarding these items and any contingencies are part of the approval.

ACTION ITEMS:

- a. Minutes – September 5, 2023, City Council Meeting

2. PUBLIC HEARINGS

There are generally two types of public hearings. In a legislative hearing, such as adopting an ordinance amending the zoning code or Comprehensive Plan amendments, the Mayor and City Council may consider any input provided by the public. In quasi-judicial hearings, such as subdivisions, special use permits and zone change requests, the Mayor and City Council must follow procedures similar to those used in court to ensure the fairness of the hearing. Additionally, the Mayor and City Council can only consider testimony that relates to the adopted approval criteria for each matter. Residents or visitors wishing to testify upon an item before the Council must sign up in advance and provide enough information to allow the Clerk to properly record their testimony in the official record of the City Council. Hearing procedures call for submission of information from City staff, then presentation by the applicant (15 min.), followed by public testimony (4 min. each) and finally the applicant's rebuttal testimony (8 min.). Testimony should be addressed to the City Council, only address the relevant approval criteria (in quasi-judicial matters) and not be unduly repetitious.

ACTION ITEMS:

3. UNFINISHED BUSINESS/RETURNING ORDINANCES AND RESOLUTIONS

This section of the agenda is to continue consideration of items that have been previously discussed by the City Council and to formally adopt ordinances and resolutions that were previously approved by the Council. Ordinances and resolutions are formal measures considered by the City Council to implement policy which the Council has considered. Resolutions govern internal matters to establish fees and charges pursuant to existing ordinances. Ordinances are laws which govern general public conduct. Certain procedures must be followed in the adoption of both ordinances and resolutions; state law often establishes those requirements.

ACTION ITEMS:

4. NEW BUSINESS

This portion of the agenda is for City Council consideration of items that have not been previously discussed by the Council. Ordinances and Resolutions are generally added to a subsequent agenda for adoption under Unfinished Business, however, the Council may consider adoption of an ordinance or resolution under New Business if timely approval is necessary.

ACTION ITEMS:

- a. Agreement with Motorola Solutions for Continued Service of CAD/RMS (Spillman) System
- b. Floodplain Ordinance Amendment
- c. Resolution to Repeal Outdated Policies
- d. Resolution Adopting Personnel Policies

5. CITIZEN ISSUES

This section of the agenda is reserved for citizens wishing to address the Council regarding City-related issues that are not on the agenda. Persons wishing to speak will have 5 minutes. Comments related to pending public hearings, including decisions that may be appealed to the City Council, are out of order and should be held for the public hearing. Repeated comments regarding the same or similar topics previously addressed are out of order and will not be allowed. Comments regarding performance by city employees are inappropriate at this time and should be directed to the Mayor, either by subsequent appointment or after tonight's meeting, if time permits. In order to ensure adequate public notice, Idaho Law provides that any item, other than emergencies, requiring Council action must be placed on the agenda of an upcoming Council meeting. As such, the City Council can't take action on items raised during citizens issues at the same meeting but may request additional information or that the item be placed on a future agenda.

6. ADMINISTRATIVE / STAFF REPORTS

This portion of the agenda is for City staff members to provide reports and updates to the Mayor and City Council regarding City business as well as responses to public comments. These items are for information only and no final action will be taken.

7. MAYOR AND COUNCIL COMMENTS

This section of the agenda is provided to allow the Mayor and City Councilors to make announcements and general comments relevant to City business and to request that items be added to future agendas for discussion. No final action or in-depth discussion of issues will occur.

8. EXECUTIVE SESSION

Certain City-related matters may need to be discussed confidentially subject to applicable legal requirements; the Council may enter executive session to discuss such matters. The motion to enter into executive session must reference the specific statutory section that authorizes the executive session. No final decision or action may be taken in executive session.

ACTION ITEMS:

- a. Idaho Code 74-206(1)(f) To communicate with legal counsel for the public agency to discuss the legal ramification of and legal options for pending litigation, or controversies not yet being litigated, but imminently likely to be litigated.
