- a. Fiscal Impact Analysis — Presented By Urban3

Roll Call of City Council

Mayor Westlund, Steigleder, Plew, Malloy, Ziegler, Mosby, Lucca - **Present**

Roll Call of Planning and Zoning Commission Members

Steffensen, Carey, Schreiber - **Present**

Urban3 is a nationally recognized planning and analytics firm that specializes in evaluating the financial performance of land use and development patterns. Using detailed data and visual modeling, Urban3 helps communities understand how different types of development impact long-term municipal revenues, costs, and fiscal sustainability. For the City of Post Falls, Urban3 is conducting a Fiscal Impact Analysis to assess how existing and future development patterns may affect the City's ability to fund infrastructure, services, and community priorities, providing decision-makers with clear, data-driven insights to support informed planning and policy decisions. These efforts should assist discussions regarding the development of Future Land Use Maps within the current Comprehensive Plan update.

REGULAR MEETING – 6:00 pm City Council Chambers

The regular agenda is scheduled to start at 6:00 PM, but may start earlier depending on the completion of any preceding workshop.

AMENDMENTS TO THE AGENDA

Final action cannot be taken on an item added to the agenda after the start of the meeting unless an emergency is declared that requires action at the meeting. The declaration and justification must be approved by motion of the Council.

None

DECLARATION OF CONFLICT, EX-PARTE CONTACTS AND SITE VISITS

The Mayor and members of the City Council have a duty to serve honestly and in the public interest. Where the Mayor or a member of the City Council have a conflict of interest, they may need to disclose the conflict and in certain circumstances, including land use decisions, they cannot participate in the decision-making process. Similarly, ex-parte contacts and site visits in most land use decisions must also be disclosed.

None

1. CONSENT CALENDAR

The consent calendar includes items which require formal Council action, but which are typically routine or not of great controversy. Individual Council members may ask that any specific item be removed from the consent calendar in order that it be discussed in greater detail. Explanatory information is included in the Council agenda packet regarding these items and any contingencies are part of the approval.

ACTION ITEMS:

- a. Minutes – February 3, 2026, City Council Meeting
- b. Minutes - February 5, 2026 City Council Workshop
- c. Payables 02/04/2026 - 02/18/2026
- d. Authorization to Demolish the Corbin House

**Motion by Malloy to accept the Consent Calendar as presented.
Second by Ziegler.**

**Vote: Plew-Aye, Lucca-Aye, Malloy-Aye, Steigleder-Aye, Mosby-Aye, Ziegler-Aye
Motion Carried**

2. PUBLIC HEARINGS

There are generally two types of public hearings. In a legislative hearing, such as adopting an ordinance amending the zoning code or Comprehensive Plan amendments, the Mayor and City Council may consider any input provided by the public. In quasi-judicial hearings, such as subdivisions, special use permits and zone change requests, the Mayor and City Council must follow procedures similar to those used in court to ensure the fairness of the hearing. Additionally, the Mayor and City Council can only consider testimony that relates to the adopted approval criteria for each matter. Residents or visitors wishing to testify upon an item before the Council must sign up in advance and provide enough information to allow the Clerk to properly record their testimony in the official record of the City Council. Hearing procedures call for submission of information from City staff, then presentation by the applicant (15 min.), followed by public testimony (4 min. each) and finally the applicant's rebuttal testimony (8 min.). Testimony should be addressed to the City Council, only address the relevant approval criteria (in quasi-judicial matters) and not be unduly repetitious.

ACTION ITEMS:

None

3. UNFINISHED BUSINESS/RETURNING ORDINANCES AND RESOLUTIONS

This section of the agenda is to continue consideration of items that have been previously discussed by the City Council and to formally adopt ordinances and resolutions that were previously approved by the Council. Ordinances and resolutions are formal measures considered by the City Council to implement policy which the Council has considered. Resolutions govern internal matters to establish fees and charges pursuant to existing ordinances. Ordinances are laws which govern general public conduct. Certain procedures must be followed in the adoption of both ordinances and resolutions; state law often establishes those requirements.

ACTION ITEMS:

- a. Construction Manager/General Contractor Contract with Apollo Inc. for Preconstruction Services at the Water Reclamation Facility

Andrew Arbini, Projects Division Manager: Significant upgrades are needed at the Water Reclamation Facility (WRF) to improve the solids handling process of wastewater treatment. Several components of these improvements were initially identified in the 2013 WRF Facility Plan as a future need. City Council adopted the 2024 update to the Facility Master Plan which provided refinement to the 2013 plan improvements. In July 2025, City Council approved a design contract with JUB Engineers that includes two distinct project phases in order of priority. The first project phase addresses existing deficiencies in the de-watering process by installing a second de-watering press to provide de-watering redundancy. As this unit is a long lead delivery item, a contract to purchase a second de-watering unit from Belt Dewatering Press Inc. (BDP) was approved at the November 3, 2025, City Council meeting. Solids refer to the materials removed from the treated water in the various processes of the WRF. They consist of the microbes which biologically treat the water, residual untreated waste products, and the particles created when the tertiary treatment coagulant binds to particles including phosphorus. This material is over 99% water. For economical handling, the water must be removed from the materials, which is accomplished through two processes, called thickening and dewatering. In the scoping phase of the Solids project, City Staff recommended the Construction Manager General Contractor (CMGC) method for this project to minimize risk and maximize project collaboration. The CMGC will have a contractual obligation to assist the City and JUB in designing a project which can be constructed with minimized risk to the City, which is beneficial due to the complex nature of this project. Last November, the City published a Request for Qualifications for a CMGC firm. The City received responses from three firms and, through a scoring and interview process, City Staff selected Apollo Inc., as the most qualified firm for the project. The reconstruction services outlined in this contract will include phase/project 1 and 2. Upon completion of the reconstruction services, a contract for construction with a guaranteed maximum price (GMP) may be negotiated with Apollo. The City purchased equipment, such as the BDP unit, would be assigned to Apollo for installation during the GMP negotiation step. The GMP negotiation is anticipated in late 2026. If those negotiations are for some reason unsuccessful, the City retains the option to return to the traditional design-bid-build project delivery method. The contract total is \$454,901.99. Staff requests a 10% contingency in the amount of \$45,490 to be authorized by the Public Works Director or his designee in the event additional services will benefit the project. The total request from staff is \$500,391.99.

**Motion by Malloy to approve the construction manager/general contractor contract with Apollo Inc. for reconstruction services at the water reclamation facility.
Second by Ziegler.**

AN ORDINANCE OF THE CITY OF POST FALLS, KOOTENAI COUNTY, A MUNICIPAL CORPORATION OF THE STATE OF IDAHO, PROVIDING FOR REPEAL AND REPLACEMENT OF CHAPTER 10.28 OF THE POST FALLS MUNICIPAL CODE RELATING TO PARADES, FUNERAL PROCESSIONS AND TEMPORARY STREET CLOSURES; ESTABLISHING PERMITTING REQUIREMENTS AND REGULATIONS FOR EVENTS IMPACTING PUBLIC STREETS, ALLEYS, AND RIGHTS-OF-WAY; PROVIDING FOR DEFINITIONS, APPLICATION PROCEDURES, APPROVAL CRITERIA, INSURANCE REQUIREMENTS, AND TIME, PLACE, AND MANNER RESTRICTIONS; PROVIDING FOR ENFORCEMENT, PENALTIES, AND APPEALS; PROVIDING FOR THE REPEAL OF CONFLICTING ORDINANCES; PROVIDING THAT ADOPTION WILL NOT AFFECT THE PROSECUTION OF VIOLATIONS, THE COLLECTION OF PENALTIES, THE VALIDITY OF PRIOR ACTIONS, OR MATTERS PENDING; PROVIDING FOR SEVERABILITY; PROVIDING FOR THIS ORDINANCE TO BE IN FULL FORCE AND EFFECT FROM AND AFTER ITS PASSAGE, APPROVAL, AND PUBLICATION ACCORDING TO LAW.

Motion by alloy to approve the Ordinance Parades and to direct the clerk to assign the appropriate number and that it be published by summary only.

Second by Ziegler.

Vote: Steigleder-Aye, Mosby-Aye, Ziegler-Aye, Plew-Aye, Lucca-Aye, Malloy-Aye

Motion Carried

d. Consideration of Adding Invocation to City Council Agendas

The Mayor is requesting City Council's consideration of adding a brief, non-sectarian invocation at the beginning of regular council meetings. The Mayor's stated purpose is to solemnize the Council's proceedings. Attendance and participation would be voluntary, and the invocation would not be intended to advocate or proselytize for any specific religion or belief system. Mayor Westlund said his proposal is to add a very brief non-sectarian invocation to the beginning of the meetings to ask for divine assistance and wisdom in the very weighty matters that they deal with. He thinks it is sorely needed these days.

Councilor Malloy said: "Whether one worships Jesus Christ, Buddha or no god at all, all want roads that are well-maintained and intersections that function efficiently. The vast majority of what a city government does is literally supported by everybody, regardless of ideology. I think the conservative approach as a city is to stay in our lane and stick to our primary objectives."

Councilor Stiegleder said she thinks that every other path is too much or not allowed, so what remains is to allow the mayor to do an invocation that is modest, limited and practical. She doesn't think it is the perfect way to do it, but she thinks that's reasonable, it's legal and if it turns into something we don't like, they can just vote to take it off the agenda.

Councilor Mosby agreed with the addition of an invocation. He said surely there can be some perceivable risk, and he thinks with anything important thing worth doing that's applicable.

Councilor Lucca said the invocation is not about imposing belief. It is about acknowledging that we, as elected officials, are not the final source of wisdom. It is a moment of humility before we exercise authority. It reminds us that our decisions affect real people, and that we are accountable to the law, to the public, and to principals larger than ourselves.

Councilor Plew said you ignore tradition at your peril. Our forbears gave us this tradition to keep us in check.

Councilor Ziegler said that the Pledge of Allegiance is a pledge to our founding documents of this country. While the spirit of an invocation is honorable, I think it is redundant to something we are already pledging ourselves to.

Mayor Westlund said he was happy with all the thought that went into this issue.

Motion by Mosby to add an invocation to be ready by the Mayor as an item to the agenda.

Second by Steigleder.

Vote: Mosby-Aye, Ziegler-Nay, Plew-Aye, Lucca-Aye, Malloy-Nay, Steigleder-Aye

Motion Carried

4. NEW BUSINESS

This portion of the agenda is for City Council consideration of items that have not been previously discussed by the Council. Ordinances and Resolutions are generally added to a subsequent agenda for adoption under Unfinished Business, however, the Council may consider adoption of an ordinance or resolution under New Business if timely approval is necessary.

ACTION ITEMS:

- a. Repeal of Policy on City Proclamations

Mayor Westlund is seeking the repeal of the City Policy regulating proclamations issued by the mayor at city council meetings. Repeal of the policy will allow the mayor to determine which proclamation to issue on a case-by-case basis. In 2021, the City Council adopted a policy regulating the types of proclamations that the mayor would issue. The policy was requested by Mayor Jacobson. The policy limited proclamations to issues related to residents of the City of Post Falls and explicitly prohibited certain types of policies, including those attempting to influence government policy, and matters of a political or religious nature. The policy also provided an evaluation process for requested proclamations. Mayor Westlund is requesting that this policy be repealed to allow him to determine which proclamations he would like to issue on a case-by-case basis. He has indicated that he would like to be able to issue proclamations regarding the right of life, traditional family values month, and Columbus Day and other issues related to residents of the City.

Motion by Steigleder to direct staff to review the policy.

Second by Malloy.

Vote: Ziegler-Aye, Plew-Aye, Lucca-Aye, Malloy-Aye, Steigleder-Aye, Mosby-Aye

Motion Carried

b. Amendment to Personnel Policy – Holiday Schedule

The Mayor requests City Council consideration of an amendment to the Personnel Policy updating the City's holiday schedule by removing Juneteenth and adding Columbus Day as a city holiday. The City's Personnel Policy includes a list of recognized holidays for which City offices are closed, and eligible employees receive paid holiday leave. An amendment to this holiday schedule is proposed to remove Juneteenth and add Columbus Day as a recognized City holiday. This amendment would modify only the list of recognized holidays. All other provisions of the Personnel Policy would remain unchanged. The total number of paid holidays will not change as a result of this update.

Mayor Westlund said he believed that Columbus Day is a more appropriate holiday honoring our American heritage.

Councilor Lucca felt that Martin Luther King Jr. Day reflected the winning of civil rights for Black Americans and spoke of discrimination of Italian-Americans like his family experienced in the 1930s and 1940s. He said it is important to note that Columbus Day was not initially a holiday just because of Christopher Columbus. It was a civil rights movement in response to a very dark time of persecution against Italian Americans.

Motion by Stiegleder to approve the amendment to the personnel policy - holiday schedule.

Second by Plew, and others.

Vote: Plew-Aye, Lucca-Aye, Malloy-Nay, Stiegleder-Aye, Mosby-Aye, Ziegler-Nay

Motion Carried

c. Chapin Building RFP Discussion

Shelly Enderud, City Administrator: The City of Post Falls signed a License to Use Agreement with the Post Falls Historical Society (PFHS) on November 28, 2008, to operate a Museum in the Chapin building located at 101 E 4th Street, on City Hall Campus. The PFHS agreed to make historical artifacts available to the citizens and provide building maintenance to the facility in lieu of rent. The license duration is at the City's discretion. Over the last couple of years, some building maintenance issues have arisen, including a mold incident. During discussions with staff, the PFHS requested that the City take on more of the maintenance costs of the facility, as they

do not have the financial resources to perform maintenance beyond cleaning and minor repairs. Staff began engaging with PFHS on updating the licensing agreement and requested that the Museum be open more days and hours, to show a community benefit. Staff also requested that the PFHS fill out a non-profit funding application. The PFHS indicated that they do not have the volunteers to be open additional days and hours but are available by appointment when requested. A workshop was held in October 2023 updating the Council on the issues. In June 2025, an update was provided to Council indicating that staff would be proceeding with a FY27 budget request for the additional maintenance of the facility. This would provide Council with the opportunity to weigh in on whether the City should fund the maintenance or request that the PFHS fund the maintenance if they desired to continue to operate the Museum in the Chapin building. In January, staff updated Mayor Westlund on the status of the facility. The Mayor asked if it would be possible to issue an RFP to see what opportunities might be available to truly activate the building and help to create a more vibrant downtown and City Hall campus. Staff worked to develop the RFP for Council consideration. Should Council direct staff to move forward with the draft RFP, staff is recommending that the RFP be posted on the website and shared on social media. The request would allow six weeks for proposers to submit a letter of interest. This would provide adequate time to initially vet an idea once the announcement is posted. Staff is then recommending an additional twelve weeks for the proposers to do their due diligence in responding to the RFP. Should Council not desire staff to issue the RFP, staff would continue to negotiate with the PFHS, or take other suggested recommendations from Council. Finally, staff is committed to continuing to work on leak detection for the adjoining property.

Motion by Malloy to proceed with the Chapin Building RFP.

Second by Ziegler.

Vote: Lucca-Aye, Malloy-Aye, Steigleder-Aye, Mosby-Aye, Ziegler-Aye, Plew-Aye

Motion Carried

d. Streets Division Operational Efficiency Study

As budget constraints continue to escalate for the City, creating a larger structural gap, it is imperative the City look at opportunities that increase revenues, decrease expenditures, create efficiencies and consider changes to service levels and programs offered by the City. Mayor Westlund requested staff work with Jeremy Williams, owner of Star of the Sea Consulting, to investigate performing a City-wide efficiency study. Staff met with Mr. Williams to discuss the potential of engaging in a study. Mr. Williams shared that his company has not performed any manpower studies/efficiency studies on local governmental. His experience has been as a consultant working with the Army as a data analyst. His company would like to take the experience from his work with the Army and apply that to local governments. It was determined that a test run of a division could provide a way to evaluate the services offered by Mr. Williams. The Mayor recommends using this approach to evaluate Mr. Williams' services. Staff developed an Operational Efficiency Study on the Streets Division request for a proposal from Mr. Williams. Mr. Williams provided staff with questions to assist with developing a proposal. The standard method in the City's purchasing policy is to issue a Request for Qualification seeking consultants who are then ranked to select the most qualified form. This process was not followed for this project. A citywide study could take 12 to 18 months, and, based on the quote for evaluating the Streets Division, the cost to perform a city-wide study could be in the \$300,000 range. This initial project is not included in the City budget. If Council elects to move the study forward, funding would be allocated via a budget amendment or budget transfer. If the results of the division-specific study provide the City with actionable and quality data to assist with decision-making regarding the Street Division services, then staff, with Council direction, could engage with Mr.

Williams to obtain a scope of work for a City-wide efficiency study to present to Council during the budgeting process. Staff has evaluated the proposal and if Council desires to move forward, staff will work with Mr. Williams to ensure the scope of work with the contract answers all the questions regarding the request sent to Mr. Williams. Staff would specifically recommend more details be provided in the requested methodology description and that a proposed scope of work be developed, as requested. Staff would also recommend the payment terms match standard city contracts with net 30-day payment terms.

Motion by alloy to table this for a future meeting to receive more examples of the end work product.

Second by Plew and Lucca.

Vote: Malloy-Aye, Steigleder-Aye, Mosby-Aye, Ziegler-Aye, Plew-Aye, Lucca-Aye

Motion Carried

- e. America 250 Resolution and Grant Application

City Council took a three minute recess starting at 9:13 PM.

Recess ended at 9:17 PM.

Motion by Malloy to approve the Resolution American 250 Resolution and Grant Application and to direct the clerk to assign the appropriate number.

Second by Ziegler.

Vote: Steigleder-Aye, Mosby-Aye, Ziegler-Aye, Plew-Aye, Lucca-Aye, Malloy-Aye

Motion Carried

WHEREAS, the year 2026 marks the 250th anniversary of the signing of the Declaration of Independence; and

WHEREAS, Governor Brad Little proclaimed the establishment of the America250 in Idaho Commemoration in July 2024 to plan, encourage, develop, and coordinate the commemoration of this momentous occasion, and honor and recognize the contributions of Idaho's residents to the nation's past, present, and future; and

WHEREAS, it is fitting and desirable that we commemorate the birth of the nation with the support of partners and stakeholders across the Gem State. America250 in Idaho will advance the ideals of the American Revolution — equality, liberty, and justice — through meaningful community engagement and recognizing, appreciating, and commemorating America's legacy; and

WHEREAS, Post Falls, founded in 1871, has contributed proudly and significantly to the history of our nation and our state for more than 155 years; and

WHEREAS, the mayor and City Council thus encourage its citizens to create and participate in programs that will commemorate the history of our city, our state, and our nation; and

NOW, THEREFORE, BE IT RESOLVED, that the City of Post Falls hereby endorses the America250 in Idaho Commemoration and its vision to celebrate American history and the invaluable contributions of Idahoans to our region, nation, and world.

IT IS FURTHER RESOLVED that:

1. The City of Post Falls commemorates the 250th anniversary of the establishment of the United States as an independent nation.
2. The City of Post Falls authorizes the placement of an America250 in Idaho Historical Monument on City Hall grounds (exact location TBD), funded by the America250 ID Celebration Fund Grant and local donors.
3. The City of Post Falls will officially recognize the 250th Anniversary of America with a Heritage

Food Festival on May 30, 2026, organized by the Post Falls Chamber of Commerce and the Jacklin Arts and Cultural Center.

4. That a copy of this resolution by sent to the America250 in Idaho Advisory Council.

5. CITIZEN ISSUES

This section of the agenda is reserved for citizens wishing to address the Council regarding City-related issues that are not on the agenda. Persons wishing to speak will have 5 minutes. Comments related to pending public hearings, including decisions that may be appealed to the City Council, are out of order and should be held for the public hearing. Repeated comments regarding the same or similar topics previously addressed are out of order and will not be allowed. Comments regarding performance by city employees are inappropriate at this time and should be directed to the Mayor, either by subsequent appointment or after tonight's meeting, if time permits. In order to ensure adequate public notice, Idaho Law provides that any item, other than emergencies, requiring Council action must be placed on the agenda of an upcoming Council meeting. As such, the City Council can't take action on items raised during citizens issues at the same meeting but may request additional information or that the item be placed on a future agenda.

James Brighter spoke about the Panhandle Skate Alliance holding a meeting on February 25th at the Post Falls Library starting at 5pm. Those interested in skateboarding and the future of local skate opportunities are encouraged to attend, learn more, and get involved.

6. ADMINISTRATIVE / STAFF REPORTS

This portion of the agenda is for City staff members to provide reports and updates to the Mayor and City Council regarding City business as well as responses to public comments. These items are for information only and no final action will be taken.

a. Economic Development Policy Discussion

Shelly Enderud, City Administrator: Talked about the Economic Development Policy and the Economic Development Project Submittal Policy that were adopted by Council. These policies serve as a basis for staff to engage with potential projects looking to either locate or expand in the City. An overview of the policies, their purpose, available business incentives and a list of prior projects was given. Staff took input from Council on potential changes the Council would like to see in an updated Economic Development Policy.

7. MAYOR AND COUNCIL COMMENTS

This section of the agenda is provided to allow the Mayor and City Councilors to make announcements and general comments relevant to City business and to request that items be added to future agendas for discussion. No final action or in-depth discussion of issues will occur.

Council said they would like to advertise that application for the Planning and Zoning Commission are being taken.

8. EXECUTIVE SESSION

Certain City-related matters may need to be discussed confidentially subject to applicable legal requirements; the Council may enter executive session to discuss such matters. The motion to enter into executive session must reference the specific statutory section that authorizes the executive session. No final decision or action may be taken in executive session.
